We need YOU

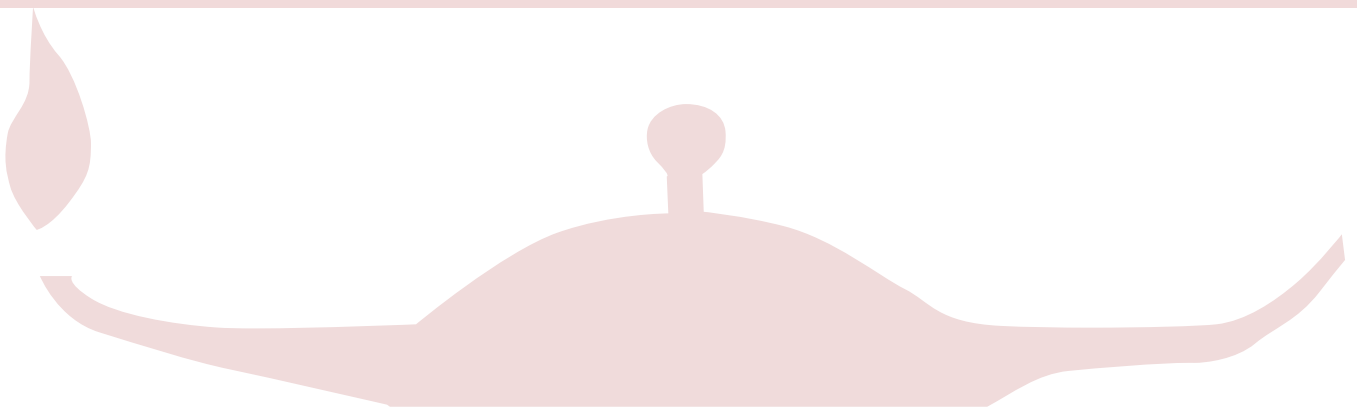

The Fiji Association of Women Graduates is a voluntary and non-profit organization of women graduates working to promote lifelong education, to improve the status of women and girls and to enable women to effect positive change for a peaceful world. FAWG is a full member of the International Federation of University Women. Visit us at <http://www.fawg.org.fj>

The Fiji Association of Women Graduates (FAWG) is the organising force for any fundraising event where funds raised go towards the FAWG Scholarship Project which pays for the tuition fees of young women who undertake studies in the electrical or automotive schools at the Fiji Institute of Technology.

FAWG encourages and invites you to join this network of vibrant minds who have the passion, determination, innovation and commitment to ensure that we give something back to our less fortunate sisters and girls.

FAWG is looking for women who have graduated in their particular discipline and will accept cases of women currently studying and whom will be graduating in due course.

Please find enclosed, a membership form for you to fill and return. Should you have burning questions about the work of FAWG and its existing projects, you can visit us at www.fawg.org.fj or send an email to fawg.members@gmail.com and we will respond to your query as soon as possible.
